The Stairmate Major has been designed as the world's only portable inclined platform lift; this unique and robust product provides access or evacuation for ALL types of wheelchair with NO installation. Historic buildings where structural changes are not permitted and many other types of organizations have all benefited from the versatility of the Stairmate Major.

The Stairmate Major is supplied with a removable battery pack, charger, stair angle indicator and comprehensive instruction book.

Product Features

- ◆ **Up to 600 steps on full battery charge**
(depending on the passengers weight and the climate conditions)
- ◆ **Standard speed – 7.5m/min UP 11.0m/down**
- ◆ **Sealed (24v) batteries**
- ◆ **Head rest for Comfort & Support**
- ◆ **Compact off board charger**
- ◆ **Emergency stop button feature**
- ◆ **100% mobile**
- ◆ **No wall installation or stairway alterations are required**
- ◆ **The Stairmate Major is on wheels and can travel on level ground**
- ◆ **You can transfer on to the Stairmate Major away from the staircase, unlike a fixed stairlift, enabling use within restricted areas**
- ◆ **Ideal for external applications, Including stone, metal & wood**
- ◆ **Full after sales service, parts, training & relocating**

Package includes Delivery in UK, Training on Delivery, A-Boards, & 1 Year Service Contract.
